<sup>4</sup> Grants Payable–Previously Allocated refers primarily to funds on hand at December 31, 2010 that have already been allocated but not disbursed. This is for grants that are multi-year in nature or for capital projects that take time to complete.

The Claims Conference, in keeping with its fiduciary obligation, releases funds to agencies only as and when appropriate accounting and reporting has been provided. It includes grants made from funds of the Successor Organization as well as from ICHEIC, the German government for Homecare, the Hungarian government, the Hungarian Gold Train, Austrian government and the Swiss Banks Settlement. It also includes funds for payments to identified eligible individuals under individual compensation programs where the amounts were received at the end of 2010 for disbursement during 2011.

<sup>10</sup> Designated for Longer-Term Needs: During 2000, the Board of Directors designated certain net assets to establish a fund to support longer-term needs of Jewish victims of Nazi persecution and other needs arising from the Holocaust after income from current Claims Conference activities declines. This was based on the recommendations of a Planning Committee which found that there would be a significant number of Nazi victims living in poor conditions over the next number of years. Details are included in the Annual Report as well as in demographic data, which is available on the Claims Conference website, [www.claimscon.org](http://www.claimscon.org).
