

Country Name: **SLOVENIA**

Looted Judaica and Judaica with Provenance Gaps in Country	
Existing Projects	Yes Research was initiated under the direction of Hannah Starman on the fate of real estate and moveable property looted from Slovenian Jews during or after the Holocaust, but to date there do not appear to be results concerning Judaica.
Overview	Looted Cultural Property Databases
	Publications
	Information from Other Sources
	Historical Commission
Selected Bibliography	→ Please note that the general literature may also contain information on the specific country.
Notes	<u>Source:</u> (1) http://www.jewishcommunity.si/ , last accessed June 2014. The Jewish Community of Slovenia only has one Torah scroll, which was donated in 2003.
